

RETIREMENT ANNOUNCEMENT

Dear Patients and Friends
September 7, 2018

After 56 years of practice I have decided to retire at the end of this year. It has been my greatest joy and honor to take care of the foot and ankle needs of my dear patients and their families. Podiatric Medicine and Surgery has been the joy of my life and I have enjoyed every moment.

I was blessed by having two of my children follow in my footsteps and not only was I able to help train them in surgery, but I have been able to practice our profession with them for many years. How wonderful is that?! I plan to continue my writing and illustrating as my profession and I am looking forward to having more time to so. Thank you for the privilege that you have granted me all these years by allowing me to care for the podiatric needs of you and your family. I will never forget you. God Bless.

Patients needing care can be seen by **Dr. Cynthia M. Mercado** or **Dr. Kent Mercado**, at their individual offices which are listed below. They will have access to the patients' files from our clinic.
